

2025-2026 SAP Appeal

Your Satisfactory Academic Progress (SAP) status in the Office of Financial Aid allows you to petition their decision. In order to do this, you **must** first meet with an advisor to complete an Academic Plan. Once you complete the plan, you must complete an SAP Appeal. This appeal should include an explanation of what unforeseen circumstance occurred during the semesters you did not do well academically and your plans to improve your academic success. If you have supporting documentation, include it for review.
